OUR DOCK CONTRACTING SERVICES

We offer a full range of waterfront construction services customized to your needs.

BOAT DOCKS

Custom-built docks designed for durability, function, and beauty.

CUSTOM BOAT HOUSES

Protect your investment with a custom boat house built to last.

PIERS & WALKWAYS

Safe, stable, and attractive piers and walkways for easy access.

BULKHEADS & SHORELINE PROTECTION

Protect your shoreline from erosion and maintain your property value.

BOAT LIFTS

Keep your boat secure and in top condition with quality boat lifts.

DOCK REPAIRS & RENOVATIONS

Extend the life of your dock with expert repairs and renovations.

From design to completion, we build docks that enhance your waterfront and stand the test of time.

4

QUALITY MATERIALS & SUPERIOR CONSTRUCTION

We use premium materials and expert techniques to deliver docks that are strong, safe, and built to withstand harsh marine environments.

MARINE-GRADE LUMBER
Treated for maximum resistance to rot, decay, and insects.

COMPOSITE DECKING OPTIONS
Low maintenance, slip-resistant, and long lasting.

HEAVY-DUTY PILINGS
Provide strong support and stability in all water conditions.

CORROSION-RESISTANT HARDWARE
Built to resist rust and ensure long-term performance.

WEATHER-RESISTANT CONSTRUCTION
Engineered to handle tough weather and fluctuating water levels.

5

ENHANCE YOUR WATERFRONT LIFESTYLE

A custom dock is more than a structure—
it's an investment in your lifestyle.

EASY BOAT ACCESS
Convenient access to the water whenever you need it.

FAMILY & FRIENDS
Create lasting memories by the water.

RELAX & UNWIND
Enjoy peaceful views and waterfront living.

INCREASED PROPERTY VALUE
A well-built dock adds value and appeal.

PERFECT FOR ENTERTAINING
Ideal for gatherings, barbecues, and events.

BUILT TO LAST
Designed and built for years of enjoyment.
